# THE TWO ENTERTAINING STYLES OF **LARRY & RAVEN**

## UP CLOSE

Breaking the mold from the traditional, Larry and Raven present strolling entertainment as a couple. They move comfortably from group to group providing quick and amazing ice-breaking entertainment, in a conversational style, that won't interrupt the flow of your event.

## ON STAGE

Once you see Raven, blindfolded, calling out the names of strangers or reciting the serial numbers on an unseen bill from an audience member's pocket, you'll scream in disbelief and love every second of it. This is the closest thing you will ever see to real mind reading!

Whether you are throwing an awards show, a banquet, or some other professional or personal event, Larry and Raven's engaging mixture of interactive mind reading feats coupled with light hearted fun and clean comedy will astound even the most skeptical audiences.
